TIME OFF REQUESTS – HOURLY/NONEXEMPT AND SALARY/EXEMPT EMPLOYEES

The UKG/Kronos system allows certain users the ability to submit and manage request for time off. Time Off Requests can only be created for time in the current pay period and future dates. The Request for Time Off can be completed using all 3 input methods previously covered in this document.

The following instructions can be used to either:

- Request a full day according to your schedule* if non-exempt and if exempt 8 hours*
- Request a number of hours/duration if you are looking to take less than your scheduled/normal daily hours

PLEASE NOTE – ONLY **APPROVED** TIME OFF REQUESTS WILL APPEAR AN EMPLOYEES TIMECARD AND NOTED IN **PURPLE**. Employees and Managers should review requests frequently and in advance to the date of the request to make sure they have been processed, i.e. approved, refused, cancelled, etc. Please see the section below titled **Reviewing and Taking Action on Requests – Details and Status -Notifications-Control Center** on instructions to access and view requests.

Requesting Time Off - Full Day(s)

If you would like to request a time off for a full day, please follow the steps below.

From the main UKG/Kronos landing page and the My Time Off tile:

- Select the drop down for Reason and choose the type of time off you want to take.
- Select the start and end dates
- Click Submit

* Please note for those who are hourly and have a work schedule, the number of hours will default to the number of scheduled daily hours. For salaried employees, the hours will default to 8. If you are salaried and your hours per day is different than 8, you need to submit a duration time off request as noted below. The request will flow to whomever your immediate supervisor/manager is assigned to you in UKG/Kronos. Please see the *Reviewing and Taking Action on Requests – Details and Status - Notifications-Control Center* section below to learn about reviewing your requests details and status.

Requesting Time Off – A Number of Hours/Duration

If you should need to request less than the number of hours you are scheduled to work per day/a specific duration, you have the option to identify the specific number of hours you are requesting to take.

- From the main UKG/Kronos landing page and the My Time Off tile:
- Select the Advanced Options
- Select the date you are requesting to take time off and click Apply
- Enter the start time of when you are requesting to be off and the total number of hours you want to take
- Click Submit. This will send the request to whomever your immediate supervisor/manager is assigned to you in UKG/Kronos.

FOR EMPLOYEES WHOSE LUNCH IS AUTO DEDUCTED

If the number of hours is less than your normally scheduled daily hours and you are requesting the number of hours to be over 6, the auto deduct for lunch will apply.

PLEASE NOTE – for all hourly/nonexempt employees a schedule must be assigned to the employee. If not, the number of hours for the time request will be 0. If your schedule is incorrect the number of hours processed will be wrong and your pay could be impacted. To confirm your schedule is correct, view your schedule by accessing My Timecard or the Schedules section located further in this document. Please see your immediate supervisor/manager and or admin to correct your schedule.

There are two ways to view your Requests for Time Off. For Employees you can do so by accessing the Notifications-Control Center or the My Calendar option which is covered in the Schedules section later in this document.

Notifications Control Center

The Notifications Control Center provides you the ability to view the details and status of requests. In addition, once you have a request selected, you have the ability to complete various actions to process the request.
