### OFFICE OF FAMILY AND PARENT ENGAGEMENT

*These iron gates are an iconic landmark on campus. The pair of arched gates sit at the end of Linden Lane and are one of the first things most visitors see when coming to campus.*

### Greetings, Families!

Welcome to Holy Cross! The Office of Parent and Family Engagement is here to support you as Laura navigates their time at Holy Cross. Watch this short video to learn more about the office, and how you can partner with us to better engage with Laura's Holy Cross experience!

### Your Summer Months Ahead

Recently, Laura received an email from my colleague, Patrick Rogers, highlighting some key information and resources for them, including information about their arrival and orientation program.

As you prepare for Laura to come to campus this fall, I want to call your attention to a few items as well.

- The [Incoming Students site](#) is where your student will find key dates and deadlines. They should check out the "Transfer Student" section.
- By now, Laura should have received their Holy Cross email address and information on how to get connected to the Holy Cross systems. Please encourage them to routinely

check their Holy Cross email throughout the summer.

- **Move-in Day:** Wednesday, August 21; [more details](#) will be shared with Laura later this summer.

# HC CONNECTS

Holy Cross may be coming to a city near you! This summer, join us for one of our HC Connects events, a series of regional meet-ups for students getting ready to join us on The Hill in the fall.

HC Connects is an opportunity to meet other students and families that are new to Holy Cross! You'll have the chance to meet classmates, as well as connect with student leaders, alumni and staff. These events are free. Students can register themselves and up to two family members.

## "From the Hill to You" Webinar Series

The Office of Parent and Family Engagement presents the "From the Hill to You" webinar series designed specifically for parents and families. Throughout the year, sessions will be offered on a variety of topics with the goal of providing information and highlights from life on the Hill to help families support their students. We kick-off the series this summer with sessions specifically geared towards the transition of incoming families. You will find these sessions often focus more on first-year students; however, you might find many of the sessions to be helpful.
