Dear Administrator,

Your **PFE - Incoming July 22** campaign was sent on 07/23/2024 around 4:21 PM CST. This email was sent to 1387 recipient(s).

Below is a copy of the message your recipients received.

Pictured above is Campion House, which is the home of the Office of the College Chaplains. Many students find connection and belonging here, often being referred to as the “living room of campus.” All are welcome to the space – especially for their freshly baked cookies!

Greetings, families,

Move-In Day is less than a month away and we can't wait to see you all! As students have enrolled in fall courses and housing assignments will be out soon, this newsletter will turn our attention more to opportunities for students to get involved outside of the classroom. By no means is this comprehensive of all the opportunities available to students over their four years; these are some key options that hopefully your students will explore this semester.

STUDENT INVOLVEMENT

The [Office of Student Involvement \(OSI\)](#) offers a well-balanced co-curricular program that enriches the college experience and contributes to the development of the whole person – mind, body, spirit, and community. They create experiences that will expand student learning outside of the classroom and the development of their strengths, skills, and leadership that will serve them during college and beyond. OSI oversees a vibrant programming calendar throughout the year on nights and weekends, many of which are organized by the clubs and organizations described below.

CLUBS AND ORGANIZATIONS

Holy Cross has more than [100 clubs and organizations](#) (academic, club sports, media, multicultural, performing, peer education, philanthropic, religious, service, and special interest) that students can get involved with on campus. Groups have their own unique purpose and sponsor a range of events.

The Co-curricular Extravaganza is the annual clubs and activities fair, hosted by the Purple Key Society and OSI. This year's event will be held on **Saturday, Sep. 14**, from 3-6 p.m. Students should watch their emails for details.

Is your student looking to explore what groups are active during the school year? They can check out [myHC](#) to join groups and learn more about campus organizations.

OFFICE OF THE COLLEGE CHAPLAINS

The [Chaplains' Office](#) serves to strengthen the spiritual life of the Holy Cross community through retreats, community service, pastoral care, and worship. They support students of all religious backgrounds. Their office is located in Campion House (the white house pictured above) and is well known for its welcoming and comfortable atmosphere. For many students, it feels like a home, with its fresh baked cookies and living room space for studying. The programs at the Chaplains' Office guide students in developing their faith and enable them to provide service and promote justice in their community and around the world. They offer a range of [retreats](#) throughout the year that are hosted off-campus at the College's retreat center, The Joyce Contemplative Center (JCC).
