

STEPHENIE R. CHAUDOIR

Department of Psychology, College of the Holy Cross, 1 College Street, Worcester, MA 01610
508.793.3620 | schaudoi@holycross.edu | www.stepheniechaudoir.com

EDUCATION

- 2009 Ph.D. Social Psychology
Quantitative Research Methods Certificate
University of Connecticut, Storrs, CT
- 2006 M.A. Social Psychology
University of Connecticut, Storrs, CT
- 2003 B.A. Psychology
Magna Cum Laude | Honors Program | Women's Studies Minor
Butler University, Indianapolis, IN

POSITIONS

- 2012 - Present Assistant Professor, Department of Psychology, College of the Holy Cross
- 2011 - 2015 Associate Research Scientist, Center for Health, Intervention, and Prevention (CHIP),
University of Connecticut
- 2009 - 2012 Assistant Professor, Department of Psychology, Bradley University

RESEARCH INTERESTS

- Disclosure of concealable stigmatized identities (e.g., HIV/AIDS, mental illness, chronic illness)
- Effect of stigma-related stressors on psychological and physical health and health disparities
- Conceptualization and measurement of stigma

PEER-REVIEWED PUBLICATIONS (*Denotes undergraduate author)

1. Vergara-Lopez, C., Chaudoir, S.R., Bublitz, M.H., O'Reilly Treter, M., & Stroud, L. R. (in press). The influence of parental warmth and overprotection on early adolescent adrenocortical stress response: A multiphase growth curve analysis. *Stress*.
2. George, L. S., Park, C. L., & Chaudoir, S. R. (in press). Examining relations between trauma centrality and PTSD symptoms: A moderated mediation approach. *Traumatology*.
3. Chaudoir, S. R., & Quinn, D. M. (2016). Evidence that anticipated stigma predicts poorer depressive symptom trajectories among emerging adults living with concealable stigmatized identities. *Self and Identity*, 15, 139-151. doi: [10.1080/15298868.2015.1091378](https://doi.org/10.1080/15298868.2015.1091378)

MANUSCRIPTS UNDER REVIEW OR IN PREPARATION (*Denotes undergraduate author)

- *Inman, E. M., Chaudoir, S. R., Galvinhill, P., & Sheehy, A. (under review). The effects of Bringing in the Bystander™ program among first-year students on a religiously-affiliated liberal arts campus. *Psychology of Violence*.
- Chaudoir, S. R., Wang, K., & Pachankis, J. E. (under revision). What reduces the effect of sexual minority stress on health disparities? A review of the intervention “toolkit.” *Journal of Social Issues: Sexual Minority Stigma and Health Disparities*.
- Chaudoir, S. R., & Fisher, J. D. (under revision). Stigma and the “social epidemic” of HIV: Understanding bi-directional mechanisms of risk and resilience. In J. Dovidio, B. Link, & B. Major (Eds.), *The Handbook of Stigma, Discrimination, and Health*. New York, NY: Oxford University Press.
- Andel, S., & Chaudoir, S. R. (under review). Saying it to your face: Disclosers with approach goals are more likely to choose face-to-face communication. *Journal of Language and Social Psychology*.
- Chaudoir, S. R., & Basu, A. (in prep). Teaching about stress effects “under the skin”: Examining the efficacy of a cortisol data collection module. *Teaching of Psychology*.
- Chaudoir, S. R., & *Beaudin, J. (in prep). Embodying neuronal communication: Examining the efficacy of and satisfaction with a role-playing active learning exercise. *Teaching of Psychology*.
- Chaudoir, S. R., Quinn, D. M., Fisher, J. D., & Edmondson, D. (in prep). The scarlet letter: Avoidance goals predict lower disclosure likelihood, poorer disclosure quality, and downward spirals toward concealment.
- Chaudoir, S. R., Vergara-Lopez, C., & Stroud, L. R. (in prep). Rejection sensitivity is associated with greater psychobiological threat in response to an academic achievement task among children and adolescents.

EXTRAMURAL FUNDING

Under Revision

2016 - 2018 National Institutes of Health (R21). *Development and preliminary trial of a brief, portable health intervention for rural sexual minority emerging adults*. Role: Co-Primary Investigator.

Funded

2014 - 2017 National Science Foundation (NSF BCS-1348899). *RUI: Disclosing concealable stigmatized identities: An analysis of intraindividual and sociocultural factors predicting stress reactivity and well-being*. Role: Primary Investigator.

- 2012 Psi Chi/APS Summer Research Grant. *Why benevolent sexism really is BS: The effect of benevolent sexism on feelings of power*. Role: Faculty sponsor (A. Riemer).
- 2010-2012 National Institutes of Health (NIH) National Center on Minority Health and Health Disparities (NCMHD), Loan Repayment Program (LRP). *Understanding health disparities among individuals living with concealable stigmatized identities*. Role: Primary Investigator.
- 2010 Psi Chi/APS Summer Research Grant. *Reducing prejudice against people living with Schizophrenia: What works best?* Role: Faculty Sponsor (B. Buttlere).
- 2007 - 2009 National Institute of Mental Health (F31MH080651). *HIV/AIDS Disclosure Decision-Making and Outcomes*. Role: Primary Investigator.
- 2007 - 2008 Society for the Psychological Study of Social Issues (SPSSI). Grants-in-Aid Program. *HIV/AIDS Disclosure Decision-Making and Outcomes*. Role: Primary Investigator.
- 2007 - 2008 Association for Psychological Science (APS). Student Grant Competition. *HIV/AIDS Disclosure Decision-Making and Outcomes*. Role: Primary Investigator.

Unfunded

- 2011 National Science Foundation. *Collaborative RUI: Disclosure Goals: When and why is disclosure beneficial?* Role: Co-Primary Investigator.

INTRAMURAL FUNDING

- 2015 Center for Teaching - Teaching Conference Travel Grant, College of the Holy Cross.
- 2014 - 2015 Ardizzone Junior Faculty Research Award, College of the Holy Cross. Role: Primary Investigator.
- 2013 - 2014 Research and Publication Award, College of the Holy Cross. *Disclosing concealable stigmatized identities: An analysis of intraindividual and sociocultural factors predicting stress reactivity*. Role: Primary Investigator.
- 2013 Center for Teaching - Teaching Conference Travel Grant, College of the Holy Cross. *UMass Hierarchical Linear Modeling Workshop*. Role: Primary Investigator.
- 2013 Faculty Grants for Innovations in Diversity and Inclusion in the Curriculum, College of the Holy Cross. *The psychology of social justice: Course and compendium development*. Role: Primary Investigator.
- 2013 Batchelor Ford Summer Fellowship, College of the Holy Cross. *Disclosing concealable stigmatized identities: An analysis of intraindividual and sociocultural factors predicting stress reactivity*. Role: Primary Investigator.
- 2011 Research Excellence & Development Award, Bradley University. *Disclosure goals and communication strategies: Analysis of correlational and experimental evidence*. Role: Primary Investigator.
- 2010 - 2011 Sherry Endowment for Collaborative Student/Faculty Projects, Bradley University. *The weight of rumination and anticipated stigma among women with weight and appearance concerns*. Role: Faculty Sponsor (S. Anel).
- 2010 - 2011 Student Travel Funds. Office for Teaching Excellence and Faculty Development, Bradley University. *Efficacy of affective, behavioral, and cognitive-based prejudice reduction in Schizophrenia*. Role: Faculty Sponsor (B. Buttlere).
- 2010 Sherry Endowment for Collaborative Student/Faculty Projects, Bradley University. *Efficacy of affective, behavioral, and cognitive-based prejudice reduction in Schizophrenia*. Role: Faculty Sponsor (B. Buttlere).
- 2007 - 2008 Graduate School, University of Connecticut. Extraordinary Expense Dissertation Award. *HIV/AIDS Disclosure Decision-Making and Outcomes*. Role: Primary Investigator.
- 2007 - 2008 Department of Psychology, University of Connecticut. *HIV/AIDS Disclosure Decision-Making and Outcomes*. Role: Primary Investigator.
- 2007 - 2008 Center for Health Intervention and Prevention (CHIP), University of Connecticut, *HIV/AIDS Disclosure Decision-Making and Outcomes*. CHIP Seed Grant for Graduate Student Pilot Projects. Role: Primary Investigator.
- 2002 - 2003 Butler University. Holcomb Honors Thesis Grant. *The unobtainable ideal: Examining the role of self-objectification and ideal media images*. Role: Primary Investigator.

FELLOWSHIPS, HONORS, AND AWARDS

2014	Michele Alexander Early Career Award for Scholarship and Service, Society for the Psychological Study of Social Issues (SPSSI)
2011	Caterpillar Inc. Faculty Achievement Award for Scholarship, Bradley University
2011	First Year Faculty Award, Bradley University
2007 - 2009	Ruth L. Kirschstein National Research Service Award, Individual Pre-doctoral Fellowship, NIMH/NIH
2008	Teaching Development Fellowship, University of Connecticut
2007	Doctoral Dissertation Fellowship, University of Connecticut
2007	Association for Psychological Science Student Caucus (APSSC) Travel Assistance Program
2006	Society of Personality and Social Psychology (SPSP) Diversity Travel Fund Award
2003 - 2007	Pre-doctoral Fellowship, University of Connecticut
2003 - 2004	Special Graduate Fellowship, University of Connecticut
2003	Corrine Welling Scholarship, Butler University
2002	Fellow, Research Experience for Undergraduates, National Science Foundation, University of Wisconsin-Madison, Center for Tobacco Research and Intervention
1999 - 2003	Founders Scholarship, Butler University
2002 & 2003	Top 10 Female Students, Butler University
2002	Edward Lee Yeager Memorial Award, Psychology Department, Butler University
